

# Your moving home checklist

With so much to remember when moving home, it can be easy to forget something. So we've created a handy checklist for you with all your moving home essentials.

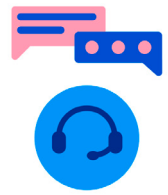

## Things to do before moving house

- 1 Confirm the date of your move
- 2 If you're renting, tell your landlord the date you'll be moving out
- 3 Book time off work
- 4 Arrange childcare
- 5 Book a removal company
- 6 Tell your contents insurance provider
- 7 Redirect your mail
- 8 Declutter your home
- 9 Pack your belongings
- 10 Label moving boxes
- 11 Take meter readings
- 12 Let your energy supplier(s) know

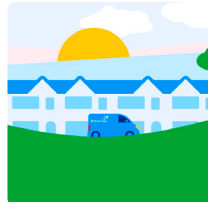

## Who to tell after you've moved

- 1 DVLA – for your driving licence and vehicle registration
- 2 Council tax – both your new and old local authorities
- 3 TV licence providers
- 4 Department of Work & Pensions (DWP)
- 5 Insurance providers
- 6 Your bank or building society
- 7 Credit card companies
- 8 Home phone, mobile, TV, or broadband provider
- 9 Online retailers
- 10 Your employer, school, college
- 11 Children's school

## Things to do once you've moved

- 1 Take your gas and electricity readings
- 2 Take a reading if you're on a water meter
- 3 Register with a local doctor and dentist
- 4 Check when the local council collects bins and recycling
- 5 Make sure smoke and carbon monoxide alarms work properly
- 6 Get your boiler and gas appliances serviced
- 7 Say hi to the neighbours

## Learn where useful things are in your new home

- 1 Stopcock (valve for controlling the mains water supply)
- 2 Instructions for appliances
- 3 Gas and electricity meters
- 4 Thermostat
- 5 Fuse box
